PETITION TO CORRECT INVENTORSHIP UNDER 37 C.F.R. 1.48 (b)

This is a Petition pursuant to 37 C.F.R. §1.48(b) to change inventorship of the above-captioned application to Daniel J. Von Seggern and Glen R. Nemerow. This change in inventorship is necessitated by cancellation of claims from the application. The accompanying Amendment cancels Paul Hallenbeck, Susan Stevenson and Yelena Skripchenko as joint inventors.

It is herein respectfully requested that the inventorship of the above-identified application be changed by removing Paul Hallenbeck, Susan Stevenson and Yelena Skripchenko from the joint inventors on the application as filed. Upon such a change in inventorship, the remaining joint inventors are Daniel J. Von Seggern and Glen R. Nemerow. These two individuals are joint inventors of the subject matter of the pending claims in the application.

The change in inventorship requested in this Petition is necessitated by cancellation of claims in the application. Specifically, claims 3, 24-40, 42-46, 48-68 and 71-94 were cancelled in the Preliminary Amendment filed in connection with a Continued Prosecution Application (CPA) on April 14, 2003.

Paul Hallenbeck, Susan Stevenson and Yelena Skripchenko did not contribute to the conception of the subject matter of any of claims 1, 2, 4-23, 41, 47, 69 and 95-103, which are pending in the instant application. Consequently, Paul Hallenbeck, Susan Stevenson and Yelena Skripchenko are not joint inventors of the subject matter of any of the pending claims,
